STD. XI, XII and MHT-CET

MHT- CET Exam Pattern : Government and Private Engineering Colleges of the Maharashtra gives admission on the basis of a student's performance in the Maharashtra common entrance test I.E. MHT-CET (PCM).

MHT-CET (PCM) exam is of 200 marks of 3 hours duration.

NO NEGATIVE MARKING if you give wrong answers.

Subject	No. of Questions	Marks Alloted	TIME
Physics	50	50	45 Minutes
Chemistry	50	50	45 Minutes
Maths	50	100	90 Minutes

JEE MAINS

JEE Joint Entrance Examination, Comprised of 2 Papers.

Paper -1 is for B.E. B. Tech at NITS, IITs, GFTIs. Others Paper 2 is for admission into B.Arch / B. Planning.

JEE Mains & Advanced : 90% of the students are filtered out in the first round itself, which is JEE Mains. The remaining crowd then appears for JEE Advanced and few Thousands are then filtered out to select students for IIT.

It is a **NEGATIVE MARKING** Exam.

Subject	No. of Questions	Marks Alloted	TIME
Physics	25/30	100	60 Minutes
Chemistry	25/30	100	60 Minutes
Maths	25/30	100	60 Minutes

JEE ADVANCED

IIT is considered to be one of the toughest exams in India as compared to many other competitive exams.

The candidates have to compulsorily attempt both the papers i.e. paper 1 and paper 2. The pattern for the JEE advanced keeps on changing every year, for that the candidate has to refer the previous paper.

For many of the questions there are possibility of having more than one correct answer. In that case, to obtain the full marks the candidate has to choose all the correct answers.

If some of the correct answers are selected then candidate will get the partial marks and when no answer is selected then the marks assigned will be zero.

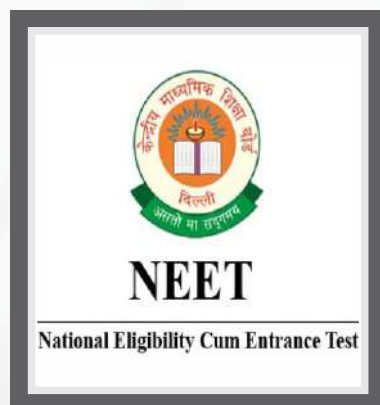

The number of attempts for the candidate to appear for JEE advanced is two consecutive years.

NEET

NEET Coaching program are for those students who are looking to be a doctor or get into medical colleges and we prepare them for the National Eligibility Entrance Test (NEET), formerly the All India Pre-Medical Test (AIPMT).

This is the qualifying test for MBBS and BDS programmes in Indian medical and dental colleges. To get into medical courses students must need to have Physics, Chemistry, Biology / Biotechnology as their compulsory subjects in 11th & 12th.

Subject	No. of Questions	Marks Alloted	TIME
Physics	45	180	3Hrs
Chemistry	45	180	
Biology	90	360	

KEY FEATURES

MONTHLY PARENTS MEETING

SHELAR ACADEMY conducts monthly parents meeting to discuss child's progress & to find solutions to their academic problems.

Meetings take place in the presence of students. Meetings are generally lead by **SHELAR SIR** to take an active the role in information sharing.

UNIQUE STUDY MATERIALS

Study material for MHT-CET, JEE Mains and Advanced & NEET are abridged by Shelar sir and our experienced faculties.

It is designed carefully after analyzing all the previous year question papers as it helps the students to understand the gist of the chapter better.

LIBRARY Facility

An extensive collection of the books for solving various competitive exams are available at our institute.

Students can issue a book with just an entry in the register.

REGULAR TESTS

Conducting a test is an important parameter to determine how well the student has understood a concept. All the papers are assessed by our experienced professors itself.

All the tests so conducted are based on current exam pattern. We conduct exams every week without fail.

We have extensive exam systems for 2 years which we give from day one.

IIT-ian FACULTY

"Shelar Academy is an official Placement Partner of IIT Bombay." It comprises of a special team of IIT-ians and experienced teachers.

Our Professors are available at the centre for 9 hours everyday to tackle student's difficulties and doubts.

KEY FEATURES

RIGOROUS TRAINING

IIT-JEE is a time demanding course and we at **SHELAR ACADEMY** focus on study methods by conducting **6 hrs** lectures and **6 hrs** monitored self study Session with regular homework checking.

PERSONALIZED ATTENTION

Shelar Academy has an outstanding and highly educated faculties who value individualized attention & facilitates student comprehension.

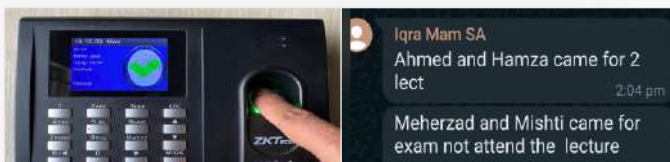

Since small class size encourages learning, we have a batch size of only 30 students.

STRICT ATTENDANCE RULE

We, at **SHELAR ACADEMY** believe that it is important for a student to attend every lecture so as to get a smooth experience in the journey of learning. Hence, we have installed Bio-metric security machines in every branch which keeps track of the student's attendance.

Compulsory attendance for all lectures & tests are undertaken & parents are regularly informed about the same.

PRACTICE SESSIONS

Every student at Shelar Academy is given equal importance and all their queries are addressed at the earliest.

After lecture hours teachers are always available as they are full timers with 9 hours per day in order to clear doubts of the students.

ONLINE Tests

The study material is designed after thorough analysis of past year question papers that help students to understand the gist of the subject better.

The compilation of information from various sources is done under the supervision of Prof. Mangesh Shelar himself.

IIT-JEE, being one of the time demanding exams, requires excessive practice. So, Shelar Academy offers online tests also that can be taken by students as per their convenience.

WHAT IS INTEGRATED PROGRAM?

Integrated coaching course is one in which there is a sync between the Junior college and our coaching Institute so as to adjust the teaching hours and get the most out of the time available.

The students need to attend colleges only for submissions, practicals & exams.

Since they are not attending colleges regularly college hours and travelling duration is greatly reduced and hence students get more time for self-study.

The teaching for regular XIth & XIIth standard syllabus as well as coaching for entrance exam will be completely handled by **Shelar Academy** itself.

We help students to frame a proper schedule so that they can manage their time efficiently for studies.

WHY IT IS PREFERRED?

It has been observed that most of the students want to study for competitive exams but don't get necessary coaching in colleges as they give more preference to board exams.

Whereas in Shelar Academy we focus mainly on conceptual understanding required for competitive as well as board exams. The integrated courses considerably increase the efficiency of the students at tackling MCQs.

Integrated program provides a good atmosphere of motivated students where most of the students are equally focused on entrance exams.

This builds competitive spirit among the students thereby encouraging them to compete and perform better. An important advantage of integrated colleges is that students get to maintain a daily routine which helps to keep their brain active.

Students enrolling for integrated course gets personalized attention by our experienced faculty. Since, they spend less time in college, that time is utilized by us for conducting extra lectures.

We conduct weekly MCQ tests chapter wise for students in order to analyze their understanding.

JEE MAINS

PCM+BIOFOCAL FOR 2 YEARS	Fees Payable
	PCM+BIFOCAL
Lumpsum Payment	Rs. 3,50,000/- (To be paid in First 3 months)
Lumpsum Payment	Rs. 3,80,000/- (To be paid in First 12 months)

JEE ADVANCED

PCM+BIOFOCAL FOR 2 YEARS	Fees Payable
	PCM+BIFOCAL
Lumpsum Payment	Rs. 5,30,000/- (To be paid in First 3 months)
Lumpsum Payment	Rs. 5,80,000/- (To be paid in First 12 months)

NEET

PCMB FOR 2 YEARS	Fees Payable
	PCM+BIFOCAL
Lumpsum Payment	Rs. 3,80,000/- (To be paid in First 3 months)
Lumpsum Payment	Rs. 4,20,000/- (To be paid in First 12 months)

OUR **STUDY** PATTERN

JEE | NEET | MHT-CET

WE HAVE SPECIALLY DESIGNED 2 YEARS COURSE
STRUCTURE WHICH IS AS FOLLOWS

**FIRST 7
MONTHS**

We
Compleat Entire of
CET / JEE / NEET
Std. Syllabus
+ 11TH Std.
MCQ + TESTS

**NEXT 12
MONTHS**

We Focus on
Completing
Entire of
CET / JEE / NEET
Std. Syllabus
+ 12th Std.
MCQ + TESTS

**LAST 5
MONTHS**

Major Focus on
MCQ's Revision &
Practice Due to This
Design We Cover
MCQ's In Details
without Pressure of
Board Exams.

We have designed the study material in such a way that it covers all types of questions from JEE (M), JEE (Adv.), MHT-CET, NEET & previous year questions.

Regular tests on every Sunday followed by special paper discussion sessions help kids to understand and improvise.

IIT ADVANCED

FIRST 15 MONTHS (MAY TO JULY)

We finish entire 11th, 12th & JEE Syllabus (Including CET Level MCQ as well) In first 15 months we solve multiple reference books as well upto JEE level.

LAST 8 MONTHS

We focus only on advanced level sums and concepts in last 8 months. Hence students level increases significantly as they are in same mode for 8 months.

OUR ACTIVITIES

OUR ACTIVITIES

“a Healthy **MIND** Leads To A Healthy **FUTURE.**”

MAN WITH THE VISION

Our founder Prof. Mangesh N. Shelar has a dazzling educational career. He completed his education from IIT-B by securing All India Rank -3 in IIT entrance exam. Post that, he taught in UDCT, Matunga(now ICT), which is renowned as Asia's best Chemical Engineering college. In 2015, he laid the foundation of Shelar Academy. Every year he mentors more than 1000 children.
